**Environment:** Production

**The problem:** "Case" columns in the exported spreadsheet is blank on both VE Tasks and Language Tasks.

**The short term fix:** In WO we are reading as case, and in task View it is case id. So the mismatch is fixed properly now.

**The long term fix:** In WO we are reading as case, and in task View it is case id. So the mismatch is fixed properly now.

**Systemic Solution:** UnitTest/QA test/ Regression/ Automation/ - Regression

**Gatekeeper:** QA
