

# [INC0067959]BUG: Duplo 2.0 - Unable to create WO for replacement in Duplo TE and Dropdown menu to select "Next Delivery" is no longer available

**Environment:** Production

**The problem:** Dropdown menu to select "Next Delivery" is no longer available which is the option for the user to create an order for replacement and keep it ready

**The Root Cause:** When the Create WO wizard was enhanced for Bulk Language creation, the CUT selection option got removed from the wireframe and same was overlooked from ENGG team.

**The short term fix:** We added the CUT selection option back for TE

**The long term fix:** We added the CUT selection option back for TE

**Systemic Solution:** UnitTest/QA test/ Regression/ Automation/ - Regression+Automation

**JIRA:** [MSC-50678](#)

**Gatekeeper:** QA

**Doubt:**
