[INC0962340] DUPLO VE Prod - Edit task not creating automatically for system generated orders - MSC-21456

Enviornment: Production

The problem: Edit task not creating automatically for system generated orders French gfx workflow - WORKTYPE=EDIT + SUB WT=Reversion

The short term fix: Edit task is an optional task created based on configuration. This configuration was missed for the production.

The long term fix: Operationalise the production configuration. Phase -1. ticket based configuration Phase -2. User interface for the confgurations.

Systemic Solution: UnitTest/QA test/ Regression/ Automation/ ??: QA Test

Gatekeeper: **QA**

Doubt: N/A
